

Home-Schooled Students

All fare policies concerning standard student fares also apply to home-schooled students. To meet documentation requirements, the student must present a letter with the name and address of the person providing the home schooling as teacher/principal at the top, signed and notarized stating the following:

I, the undersigned teacher/principal, hereby certify that _____ is a full-time student enrolled in a grade between kindergarten and grade twelve inclusively in my home school where children are taught the branches of education that children of corresponding age and grade in the public schools are taught.

The documentation must be available upon request when traveling.

Any questions concerning the above may be directed to Metra Passenger Services at 312-322-6777.
