Passenger Code of Conduct Policy

I. Purpose
Metra provides regional rail services within its service area. Metra strives to provide on-time train service while ensuring the safety and comfort of its passengers and employees. Metra established this Passenger Code of Conduct to promote safety, facilitate the proper use of transit facilities, and ensure the payment of fares. Metra’s ability to achieve these goals requires the cooperation of its passengers and requires Metra employees and its passengers to behave in a mutually respectful and courteous manner.

This policy identifies prohibited behaviors for anyone using Metra facilities and/or riding Metra trains. It authorizes Metra to seize any violator’s fare media, expel a violator from Metra facilities, and/or suspend a violator from using Metra facilities for a certain period.1

V. Metra’s Response to Transit Violations and Prohibited Conduct

A. Process

Metra handles violations of this Policy in accordance with Metra’s Passenger Code of Conduct Procedure.

Violations may result in immediate expulsion, confiscation of fare media, suspension of riding privileges, and/or criminal charges (if warranted).

Metra may confiscate a person’s fare media and/or suspend a person’s riding privileges if: (1) the person’s conduct causes another person/others to reasonably believe there is a threat to safety, including assault and battery; (2) the person’s conduct causes another person/others to reasonably believe there is a threat of criminal sexual assault; or (3) the person engages in an act of public indecency.

The following is a non-exclusive list of examples of conduct for which Metra may confiscate fare media and/or suspend riding privileges:

1. Verbally or physically threatening the safety of another person/others.
2. Causing or attempting to cause physical harm to another person/others.
3. Pushing or attempting to push another person/others.
4. Hitting, kicking, or attempting to hit or kick another person/others.
5. Attacking or threatening to attack another person/others with a weapon. This includes, but is not limited to, waving weapons or pointing a gun at another person/others (regardless of whether the gun is loaded).
6. Throwing or attempting to throw things at another person/others.
7. Spitting on or attempting to spit on another person/others.
8. Harassing another person or persons (verbally or sexually).
9. Sexually assaulting or attempting to sexually assault another person or persons.

B. Confiscation/Suspension Lengths

Metra will conduct hearings before confiscating fare media/suspending riding privileges, unless a passenger waives the right to a hearing and accepts the confiscation/suspension. If Metra determines confiscation/suspension is warranted after a hearing, the passenger will have the right to up to two appeals.

Confiscation/suspension lengths will depend on the severity of the offense and the number of prior offenses. Generally, a first offense will result in a 10-day suspension, a second offense will result in a 30-day suspension, a third offense will result in a 6-month suspension, and a fourth offense will result in a one-year suspension from Metra facilities. However, Metra reserves the right to skip tiers when assessing suspension lengths for serious offenses. Additionally, repeated suspensions may result in a suspension of multiple years.
Confiscation/suspension time will be served after a hearing upon Metra’s determination that confiscation/suspension is warranted.

C. Quarterly Reporting of Confiscations/Suspensions
Metra collects, reports, and makes publicly available on a quarterly basis, the following information:
1. The number of individuals subject to confiscation of fare media/suspension of riding privileges;
2. Demographic information of the individuals subject to confiscation of fare media/suspension of riding privileges, including age, race, ethnicity, gender, and housing status (as defined under Section 10 of the Illinois Bill of Rights for the Homeless Act);
