Introduction:	4
Engineering Design:	5
Professional Services:	7
Construction:	10
Materials:	14
Other:	21

Dear Vendors,

Thank you for your interest in doing business with Metra as either a prime contractor or subcontractor. To ensure we are continuing to provide awareness and access to the business community, Metra has developed an Annual Procurement Plan to assist you in your efforts to compete for contracting opportunities. Listed in this Procurement Plan are potential contracting opportunities for goods and services anticipated by Metra departments such as Engineering, Mechanical, Transportation, Safety, Finance, Information Systems and Materials Contract Management.

Metra's purchasing functions are handled through Procurement, which is comprised of three departments:

- Construction & Facilities Maintenance Procurement procures goods and services related to capital and operating funded construction, facilities maintenance and other infrastructure projects.
- Materials & Services Procurement purchases materials, equipment and various services.
- Professional Services Procurement contracts for architectural & engineering, information technology services, and other professional services.

This Annual Procurement Plan lists the potential contracting opportunities chronologically, according to the anticipated quarter for solicitation advertisement. The Plan divides these potential opportunities into five (5) major categories:

- Construction (C)
- Engineering Design (D)
- Materials (M)
- Professional Services (PS)
- Other (O)

For additional information on how to use this Procurement Plan, please contact Geoff Urban at 312-322-6664 or gurban@metrarr.com

Finally, Metra's policy is to ensure that Disadvantaged Business Enterprises (DBEs) and Small Business Enterprises (SBEs) as defined in 49 CFR 26, have an equal opportunity to receive and participate in United States Department of Transportation assisted contracts. This Annual Procurement Plan identifies potential contracting opportunities for which DBE and SBE firms may choose to participate as a prime contractor or subcontractor. It is my hope that you will review the prospective opportunities as you continue to develop and sustain your business.

James M. Derwinski
CEO/Executive Director

RESOURCES

Metra is committed to providing information, resources, and tools to assist you in your efforts to compete for contracting opportunities. For all advertised procurements, Metra utilizes electronic posting and submission only through Bonfire for all bids and proposals. Vendor questions regarding a solicitation shall be submitted through the Bonfire portal only.

- Vendors interested in viewing Metra's solicitations or submitting bids or proposals must register at Metra's Bonfire portal. Follow the link and click on "New Vendor Registration" to create a free account and register your company. Vendors must register with Bonfire even if the vendor is currently registered with Metra. When registering with Bonfire, please be sure to select all the relevant North American Industry Classification System (NAICS) codes your company provides or performs in order to receive solicitation notifications for procurements matched to those NAICS codes.

- Registration is free and easy to setup. Should you need assistance setting up your account in Bonfire, please contact Bonfire Interactive Support at support@gobonfire.com.

Completing the Vendor Registration allows you to:

- Identify the NAICS codes that apply to your products and services.
- Receive solicitation notices by e-mail for active IFBs, RFPs and LIQs for the products and services you selected.
- Manage and update your vendor information, including email address and the products and services you have selected.

METRA'S OFFICE OF DIVERSITY & BUSINESS ENTERPRISE (ODBE)

Mission:

To ensure small, minority, and women owned businesses have equal opportunity to receive and participate in Metra's contracts.

It is Metra's policy to:

- Ensure non-discrimination in the award and administration of Department of Transportation (DOT) assisted contracts.
- Create a level playing field for Disadvantaged Business Enterprise (DBE) and Small Business Enterprise (SBE) firms to compete fairly for DOT assisted contracts by removing barriers to participation.
- Assist in the development of DBE/SBE firms so they can compete successfully outside of the DBE program.

For more information, visit: www.metra.com. Please scroll down to the bottom of the homepage and select "Office of Diversity & Business Enterprise" link. Then click on "Find more..." tab on the right side of the page to:

- Learn about Metra's DBE and SBE Programs.
- Download DBE Certification and SBE verification forms under DBE and SBE Program tabs.
- View Outreach Events.
- View Frequently Asked Questions.
- View Annual Procurement Plan under DBE Program, sub item DBE Resources.
