RE: 17-FOIA-049 Info – New IFB #23726

Dear Mr. Benham:

We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On February 16, 2017, we received your request for information regarding Metra's contract for the repair and return of railroad switch machines ("**Request**").

We contacted you on February 24 to ask if you would clarify if what you were seeking was the last contract for the above-referenced service. You responded that same day confirming this was the document you were requesting.

In response to your Request, Metra's Procurement department is providing you with the last blanket purchase order for the repair and return of railroad switch machines, PO #B23780, issued to your company on December 20, 2012.

If we can be of further assistance to you, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read "K. E. Haton", is positioned above the typed name.
