Subject: looking for history of complaints against metra conductor
Date: Thursday, March 21, 2019 9:54:01 AM

To whom it may concern,

I would like records of complaints against metra conductors. I would also like the names and pictures of metra conductors working the 8:40am Metra Electric District Hyde Park / South Chicago train on Thursday, March 21st, 2019.

Thanks,
