RE: 19-FOIA-085 MP Report re Stolen Vehicle

Dear Mr. Simnick:

We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* (“FOIA”).

I. Background

On March 22, 2019, we received your request for a police report related to the theft of your vehicle from near 1501 S. Canal which occurred on either the evening of Wednesday, March 20th or the morning of Thursday, March 21st (“Request”). Your Request is granted in part and denied in part.

II. Responsive Document

In response to your Request, Metra’s Police Department is providing you with MP-19-00014135 (“Responsive Document”).

III. Partial Denial

While FOIA requires public bodies to provide access to public records generally, FOIA also authorizes units of government to withhold certain information. Therefore, Attorney Keith Pardonnet has determined that the following portions of the Responsive Documents are exempt from disclosure under certain provisions of FOIA:

1. The driver’s license numbers, employee identification numbers, passwords, personal telephone numbers, home addresses, and personal license plate numbers of the parties mentioned in the Responsive Document are redacted because they are exempt from disclosure under Section 7(1)(b) of FOIA, which exempts “private information.” “Driver’s license numbers,” “employee identification numbers,” “passwords,” “personal telephone numbers,” “home addresses,” and “personal license plate numbers” are specifically mentioned within the definition of “private information” found in Section 2(c-5) of FOIA.
2. The dates of birth and physical descriptions of the parties, as well as third-party names mentioned in the Responsive Documents, are redacted because they are exempt from disclosure under Section 7(1)(c) of FOIA, which exempts “personal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy....” Section 7(1)(c) goes on to say that, “‘Unwarranted invasion of personal privacy’ means the disclosure of information that is highly personal or

objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information.” It has been determined that the aforementioned information falls squarely within that definition and its redaction is appropriate under FOIA.

3. Further, with respect to results of the LEADS inquiry/information, such records are exempt from release under Section 7(1)(d-5) of FOIA which states, “A law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system.” The Metra Police Department only has access to information contained within Soundex and has no role in the creation of this information.

IV. Right of Review

You have the right to have the partial denial of your Request reviewed by the Public Access Counselor (“PAC”) of the Illinois Attorney General’s Office. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to:
