Heritage Corridor Special Saturday Schedule

Effective: Saturdays from Sept. 9 through Oct. 14.

This fall Metra is offering an exciting way to explore communities and recreational opportunities along the scenic Illinois & Michigan Canal with special Saturday service on its Heritage Corridor Line. The Saturday service also allows residents along the line to ride Metra to fall activities in the city.

The Heritage Corridor Line provides easy access to bike and running paths, craft breweries, restaurants, and the vibrant communities along this historic route. Using Metra to explore the region is a real bargain. Our \$7 Saturday Pass and Family Fares, which allow up to three children aged 11 and under to ride free with a fare-paying adult, are affordable ways to get out and enjoy some weekend fun.

The special Heritage Corridor Saturday service will provide three round-trip trains, each equipped with Metra's new bike cars to carry extra bikes, on Saturdays from September 9 through October 14. You can find more information about how to explore the region with Metra at metra.com.
